

Why get involved?

- We'll place your logo or name in place of the brick you've donated.
- A description of your business will pop up when the mouse is hovered over your brick.
- The brick will be a link to your web site.
- To improve Google Search performance, a text link will be added at the bottom of the page.
- The latest donation will be listed on fund raising pages to further boost your online exposure.
- Your donation will give you a nice warm fuzzy feeling that you've helped us get one step closer to realising this important community project.

To add your brick to the Supporters' Wall, please complete the form below or, if you'd rather do it online, please visit www.firstwinchester.org.uk/wall
