

## Travelling to and from 1<sup>st</sup> Place

### Introduction

1<sup>st</sup> Place (1<sup>st</sup> Winchester Scout Group Scout Hut) is nestled between houses on Fleming Road within Weeke, Winchester. <http://binged.it/1FJr5Jz> It can only be accessed on foot and has no dedicated parking spaces.

Precautions must be taken therefore when going to and from 1<sup>st</sup> Place:

Pedestrian walkways: Three walking routes are available with access from Godwin Close (parallel to Stockbridge Road) and Fromond Road (see map below)

Cycling: Cycling is to be encouraged as much as possible. Bikes can be stored on site around the back of the building out of sight.

Car Sharing: Please encourage and coordinate car sharing as this will help ease problems with parking.

Parking: Parking is very limited due to the residential nature of the area.

**Fleming Road.** Parking on Fleming Road for drop-off and pick-up is possible during day-time hours as neighbour use is slight. Communal parking is found near the “green”, but priority needs to be given to residents.

**Godwin Close.** Can to be used as a drop-off/pick-up. It has space for 1-2 cars only.

**Fromond Road.** This is the main thoroughfare through Weeke and is capable of taking parking and also drop-off/pick-up. It is recommended to use the walking directly from Fromond Road to 1<sup>st</sup> Place.

Lighting of walkways: Lighting of walkways is currently in negotiation with the local council. We hope to improve lighting and the general condition of the walkways from Godwin Close and Fromond Road.

“Green” at the top of Fleming Road: This is not to be driven onto.

Noise: Many neighbours experience noise from Hut users every day. Noise should be kept to a minimum when entering or exiting 1<sup>st</sup> Place.

### Summary

It is very important to us that the neighbours of 1<sup>st</sup> Place remain positive to what we do and how we run the building. Please be courteous and respect their privacy. Please ensure you:

- Are considerate of others
- Are quiet when approaching or leaving 1<sup>st</sup> Place
- Break habits of travel – don't always park near to the building, even when there is space. Park further away every other time.
- Ensure other users comply with these instructions – or everyone loses out.

Thank you
